

Nothing like killing some worthless.... Hey, what's wrong? come back!

Guard! Guard! Guard!

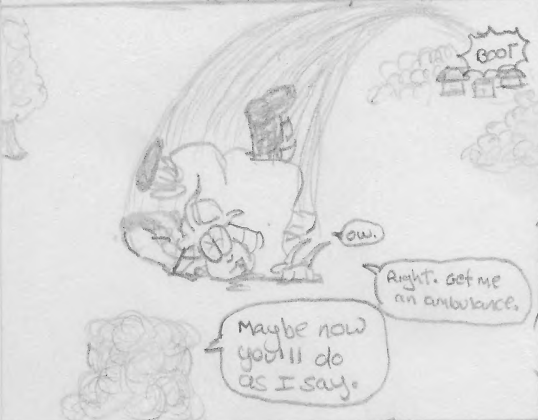

Now what the hell is their problem?

Are you SURE we should have left him there?

Hey, he had it coming. Besides, you don't want to risk our lives, do you?

Maybe now you'll do as I say.

Right. Get me an ambulance.

I think we should find a boat.

Well, not by now we can get somewhere.

Look! I'm cold, Klink!

Or, um...

There's a ship! CHARGE!

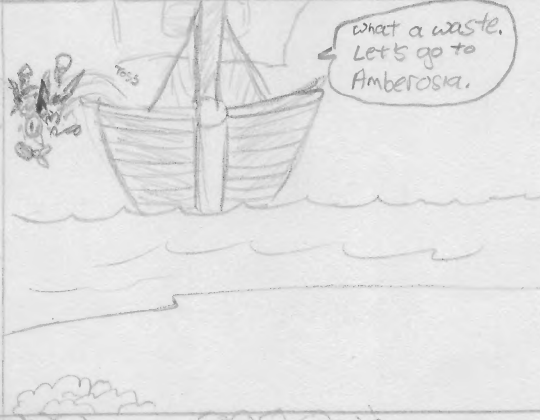

CHARGE!

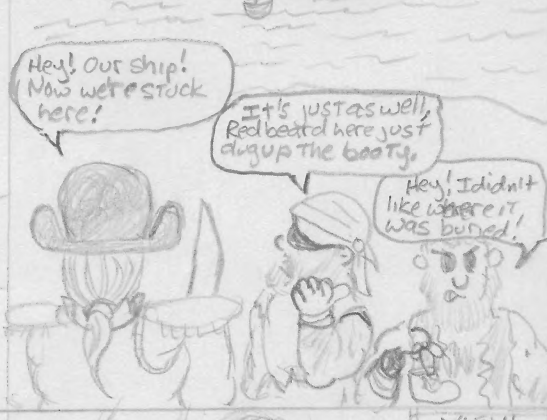

Charge!

Hey! There's only one! We get all pumped for a mega battle, and there's only one!

The rest are out buying our booty!

What a waste. Let's go to Amberosia.

Hey! Our ship! Now we're stuck here!

It's just as well, Redbeard here just dug up the booty.

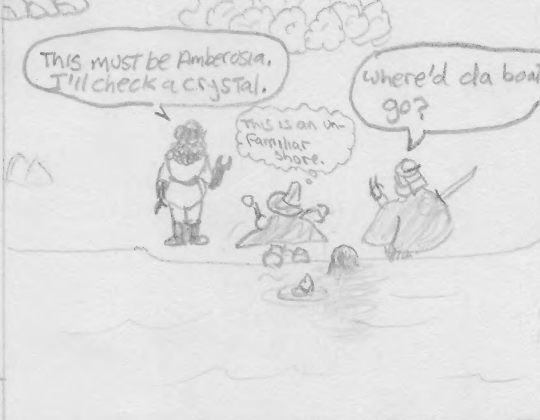

Hey! I didn't like where it was buried!

This may not be the best time to point this out, but we're falling into a whirlpool!

No shit.

Try metamucil!

This must be Amberosia. I'll check a crystal.

This is an unfamiliar shore.

Where'd da boat go?

VIEW THE MAP

Yep. It's Amberosia.

There's a shrine. Let's investigate.

Welcome to the Shrine Mall. In order to condense this monotonous part of the parody, we combined all 4 shrines into one. Feel free to donate 100gp.

I wonder what it would say if I was somewhere else.

Well, we got all the cards, and, thank to Fos, the Shrine is spr'n'span.

Heh, Heh, Heh, POWER

Just what we needed. A Turbo-charged Fos.
